### **EXECUTIVE SUMMARY**

Members of Thurrock SACRE requested at their meeting on 18 April 2016, to receive an update on the membership of the committee.

#### **1. Recommendations:**

- 1.1 That SACRE comment on and approve the membership of Thurrock SACRE.**

#### **2 Introduction and Background:**

- 2.1 The membership of Thurrock SACRE was last amended following, a report published for the meeting of SACRE on the 6 March 2013, which requested members consider the membership of Committee A and decide whether or not it appropriately reflected the principal religious traditions in the area.

Although this meeting was declared inquorate, it was agreed that the meeting would continue informally and Members discussed the following:

***“The Changing Profile of Religion and Belief in Thurrock***

*SACRE were provided with factual information on the religious profile of Thurrock as evidenced by the 2011 census data.*

*Councillor Anderson provided those present with the following suggestions:*

1. *That Thurrock SACRE should adopt the following principles as guidelines when determining the composition of Committee A. In order to nominate a representative to Thurrock SACRE, a religion or belief should have:*
  - a) *A minimum of 500 self-identified adherents (0.3%) in the Thurrock area;*
  - b) *A recognisable local group meeting regularly within the Thurrock area;*
  - c) *A representative organisation capable of providing nominations which is willing to confirm its acceptance of and support for the aims and objectives of Thurrock SACRE.*
2. *That in light of the above, Thurrock SACRE should seek to identify a Buddhist member to be added to Committee A.*
3. *That Thurrock SACRE should consult with Christian groups within Thurrock to identify whether the current Christian members of Committee A still adequately reflect and represent the Christian groups active within Thurrock, and consider any changes at a future meeting.*
4. *That the Jewish representative ceases to be a permanent member of Committee A, but that the current representative be invited to continue serving SACRE as a co-opted member.*

*The RE Consultant was requested to provide a breakdown of the Christian faith and she agreed that she would make this request to the National Statistics Office.*

*Councillor Anderson requested that nominations be invited from the Buddhist denomination as it had seen an increase from 0.17% to 0.40% over the last ten years.*

*The issue of a Humanist representative on Thurrock SACRE was discussed and it was recommended that if the British Humanist Association was happy to confirm their acceptance of the objectives of SACRE, then a representative from this Association should be sought.*

*The RE consultant advised members that the legal duties on SACRE in relation to the Agreed Syllabus, mean that all six of the 'principal religions' really need to be represented and they include Judaism. She suggested the following amendment to 4 above:*

*"In addition to 1 above, each of the principal religions\* represented in the UK as a whole should be represented in order that an Agreed Syllabus Conference convened by SACRE can include people that are fully informed to meet the legal requirements for an RE Syllabus"*

*\*Defined as Buddhism, Christianity, Hinduism, Judaism, Islam and Sikhism."*
