Good Afternoon Liz,

Many thanks for your email!

They are both the same, driver although they are different vans, John will speak with the driver this evening, which will not happen again, same as it hasn't happened all summer.

Good Afternoon Liz,

Many thanks for your email!

I have liaised with John and he has spoken to the 2 drivers that would trade at Grays Beach, both are saying they have not been trading at Grays Beach, they are both fully aware they are not to park on double yellow lines and know to park in the bay, but if they see the bay empty it normally means there is no one at Grays Beach, so they don't trade there anyway. Could you please provide photographic evidence so we can look into this matter further?

Look forward to hearing back from you.

Kind regards,

Mandy

Good afternoon,

We have received two complaints this month regarding Piccadilly Whip vehicles trading outside Grays Beach, parked on double yellow lines and not in the area where you are permitted to park and trade.

At the Licensing Sub-Committee where your consent for Grays Beach was granted, the following condition was added: **All parking regulations must be adhered to at all times. The consent holder must ensure that all operatives comply with the terms of the consent and to be mindful of traffic regulations in the area, with particular attention in the vicinity of Grays Beach.**

Failure to comply with the conditions of your consent may result in it being referred back to sub-committee for action.

Please do not hesitate to contact me if you would like to discuss this matter further.

Kind regards,
Liz
