Preface

Thurrock Council has adopted schedule 3 to the Local Government (Miscellaneous Provisions) Act 1982 (as amended by section 27 of the Policing and Crime Act 2009) so that we can licence sex shops, sex cinemas, and sexual entertainment venues in the Borough. In this policy, we refer to these as “sex establishments” unless we say otherwise.

We do not take a moral stand in adopting this policy. We recognise that Parliament has made it lawful to operate sex establishments, and that such businesses are a legitimate part of the retail and leisure industries. It is our role as a licensing authority to administer the licensing regime in accordance with the law.

This Statement of Licensing Policy sets out the council’s requirements for premises to be licensed as sex establishments within the meaning of schedule 3 of the Local Government (Miscellaneous Provisions) Act 1982 (as amended). It aims to promote the protection of the public and persons employed at the premises; the management of standards at licensed premises; and considerations of gender equality.

We consulted on this policy between 17th October 2011 and 17th November 2011 and it was approved by Full Council on XXXXXXXXXXXX.

Consultation was conducted which took account of representations from local residents and community groups; existing and future potential holders of sex establishment licences in the Borough; relevant statutory bodies and representatives of holders of premises licences under the Licensing Act 2003 within the Borough.

In developing this policy, we took into account the legal requirements of the 1982 Act and our duties under

- a) Section 17 of the Crime and Disorder Act 1998 to take all reasonable steps to reduce crime and disorder within the Borough;
- b) The Regulators’ Compliance Code (set out under the Legislative and Regulatory Reform Act 2006) obligations not to impede economic progress by the regulations we set out and to particularly consider the impact of regulations on small businesses; and
- c) The Provision of Services Regulations 2009 to ensure requirements are:
 - i) Non-discriminatory
 - ii) Justified by an overriding reason relating to the public interest
 - iii) Proportionate to that public interest objective
 - iv) Clear and unambiguous

v) Objective

vi) Made public in advance, and

vii) Transparent and accessible.

Thurrock Council's aim is to become a **confident**, well managed and **influential** council regarded by residents, peers and partners as **ambitious** for the people of Thurrock and totally focused on meeting their current and future **aspirations**.

We want Thurrock to be at the **dynamic** heart of the Thames gateway, a place of **ambition**, **enterprise** and **opportunity**, where communities and businesses **flourish**.

Our priorities within the community are:

- to **improve** the education and skills of local people
- to **encourage** and **promote** job creation and economic prosperity
- to **ensure** a safe, clean and green environment
- to **provide** and **commission** high quality and accessible services that meet, wherever possible, individual needs
- to **build** pride, respect and responsibility in Thurrock's communities and its residents.

This policy which took effect on XXXXXXXXXXXXXXXX will be subject to periodic review.

Foreword

Thurrock has a long and celebrated history; having played a vital role in the defense of the region, the capital and the realm.

Situated within the heart of the Thames Gateway in South Essex, just to the East of London, this thriving borough encompasses huge swathes of green belt country, with 18 miles (29km) of Thames frontage. The area's unique riverside location and vast natural resources is the key to its past and future development, growth and success.

Thurrock's economy has historically been driven by the presence of several large sectors - transport, logistics, port functions and retail account for a substantial part of the current economic landscape.

Thurrock has been considered a gateway between Britain and the rest of the world for decades and this still holds true today - DP World's presence in the borough is testimony to that.

Alongside these areas of peace and beauty, Thurrock is also home to one of the largest shopping complexes in Europe. All of this is just 40 minutes from the heart of The City.

The Thames Gateway corridor is Europe's largest regeneration program, 50 per cent of which is being delivered in Thurrock. This status brings many opportunities but also some significant challenges - 26,000 new jobs and 18,500 new homes by 2021.

In 2009 our population was estimated at 157,200 in 63,678 dwellings. Over 30 different languages are currently spoken and this number is also expected to rise. The council recognises the benefits of a diverse community and the potential impact of these trends on shaping the future of Thurrock.

There are 3,634 commercial properties in Thurrock but the traditional manufacturing sector now only accounts for 11% of the business base.

Whilst Thurrock's ranking in deprivation has improved, but inequalities exist in parts of Tilbury, Belhus, Chadwell, Ockendon and West Thurrock with the gap biggest in health, crime, education and employment.

Thurrock Unitary Council was formed in the 1998 local government review. There are 20 electoral wards and 49 seats on the Council. Ordinarily, Members serve for a mandate of four years.

1 Introduction

- 1.1 Thurrock Council has adopted Schedule 3 of the Local Government (Miscellaneous Provisions) Act 1982 (as amended by section 27 of the Policing and Crime Act 2009) in order to licence 'sex establishments' within the Borough.
- 1.2 This Statement of Licensing Policy for Sex Establishments sets out the council's requirements for premises to be licensed as 'sex establishments' within the meaning of the Act (as amended).
- 1.3 The advice and guidance contained in the appendices attached to this Statement of Licensing Policy is intended only to assist readers in consulting the policy and should not be interpreted as legal advice or as constituent of Thurrock Council's Statement of Licensing Policy.
- 1.4 Readers are strongly advised to seek their own legal advice if they are unsure of the requirements of the Local Government (Miscellaneous Provisions) Act 1982 or schedules issued under the Act.

2 Definition of 'sex establishment'

- 2.1 A 'sex establishment' is defined under the Act as a 'sex shop', a 'sex cinema' or a 'sex encounter establishment'. Full definitions of those terms can be found in Appendix A to this policy.
- 2.2 It includes any premises, vehicle, vessel or stall used as a sex establishment but does not apply to the sale, supply or demonstration of articles which are manufactured for use primarily for the purposes of birth control or primarily relate to birth control.

3 Location of Licensed Premises

- 3.1 The council acknowledges that a concentration of licensed premises in a particular area can result in a potential fear of crime, anti-social behaviour, noise pollution and other disturbance to residents. In such cases the amenity of local residents can be placed under severe pressure.
- 3.2 Whilst the council have not imposed a limit on the number of premises that may be licensed in any area, and whilst treating each application upon its own merits, The Council is of the view that it is not appropriate to have a sex establishment situated within a 'relevant locality' of: -
 - (a) a residential area;
 - (b) a school, nursery or any other premises substantially used by or for children under 16 years of age;
 - (c) a park or other recreational area used by or for children under 16 years of age;

(d) a place of religious worship

(e) accommodation provided for people with learning disabilities.

3.3 **Relevant Locality** - This is the locality where premises are situated or where the vehicle, vessel or stall is going to be used. The locality and the area that this covers is a matter for the local authority to decide. Thurrock Council has determined that each case will be judged upon its own merits base upon the area which, when considered sensibly as a whole, could be said to be affected by the presence of a sex establishment in it.

3.4 **Character of the relevant locality** – The character or characteristics of the locality where the premises are situated will be instrumental in determining whether or not the grant of a licence will be appropriate. This is a proper matter for the Council to consider based on local knowledge, factors and circumstances. Thurrock Council will consider the effect of the sex establishment could or is having on the use of premises in the relevant locality. This may for example be demonstrated by objectors evidencing how the prominence of the premises, the reputation of the brand, or its operating style, or the size and nature of the clientele it is likely to attract, may be inappropriate to the character of the locality.

3.5 Applications in respect of premises must state the full address of the premises. Applications in respect of a vehicle, vessel or stall must state where it is to be used as a sex establishment.

3.6 The council would normally expect that applications for licences for permanent commercial premises should be from businesses with planning consent for the property concerned.

4 Making an application

4.1 An application for the grant, renewal, transfer or variation of a licence must be made in writing to the council in accordance with the requirements shown in Appendix B.

4.2 In keeping with the Council's policy on the introduction of e-Government, the council consents to applications and other notices being given electronically. The address at which the council will accept applications and notices is:-

(a) by post/personal service to Licensing Department, Thurrock Council, Civic Offices, New Street, Grays, Essex, RM17 6SL;

(b) by e-mail to licensing@thurrock.gov.uk;

(c) on-line www.thurrock.gov.uk/licensing (when the facility becomes available).

4.3 A specimen application form and notice for public advertisement is attached in Appendix C.

- 4.4 A copy of the application must be submitted to the Chief Officer of Police within 7 days of submitting the application to the Licensing Authority.
- 4.5 The Licensing Department will send details of any new applications being made to all persons on the register of interested parties held by Thurrock Council for consultation. (it is the responsibility of the person registering their interest to keep Thurrock Council updated with any changes to names, addresses or other contact details.)

5 Fees

- 5.1 The application process involves paying a non-returnable application fee, including costs for inspections of the premises and processing the application;
- 5.2 The fees are reviewed periodically against any rise in council costs of administering the licence regime.
- 5.3 A schedule of fees is shown in Appendix D

6 Advice and Guidance

- 6.1 The council will seek to liaise with applicants and/or mediate between applicants and others who may make objections, to achieve a satisfactory outcome for all involved, wherever possible and where resources permit.
- 6.2 Where an applicant considers that mediation and liaison may be likely or probable, it is recommended that the applicant discuss his proposal with the licensing department and those from who they think objections are likely prior to submitting their application.

7 Grant, renewal or transfer of licences

- 7.1 The council may grant to any applicant and renew a licence for the use of any premises as a 'sex establishment' on such of the terms and conditions specified by the council in Appendix E.
- 7.2 A licence will remain in force for one year, or such shorter period specified in the licence, unless previously cancelled or revoked.
- 7.3 The council may, if they think fit, transfer a licence to any other person upon application by that person.
- 7.4 Where an application for renewal or transfer of a licence is made before the date of expiry of the existing licence, the licence shall remain in force until such time as the application has been determined.
- 7.5 Where applications for licences have been granted, the council will send the licence to applicants by post.

8 Waivers

- 8.1 We do not consider it would be appropriate to permit waivers from the requirements to hold a sex establishment licence, except in extreme circumstances considered by Licensing Sub Committee (for example, to allow a temporary re-location of a business following damage to licensed premises).

9 Exchange of Information

- 9.1 Thurrock Council may from time to time exercise its powers under section 115 of the Crime and Disorder Act 1998 to exchange information with the police and other partners.
- 9.2 Details of applications and objections which are referred to a Licensing Committee for determination will be published in reports that are made publicly available in accordance with the Local Government Act 1972 and the Freedom of Information Act 2000.
- 9.3 The name and address of objectors will not be disclosed to applicants or published in public reports in accordance with the Local Government (Miscellaneous Provisions) Act 1982. Such details will be made available to Councillors on the Licensing Sub Committee.

10 Variation of licences

- 10.1 The holder of a licence may apply to the council to vary the terms, conditions or restrictions on or subject to which the licence is held.

11 Objections

- 11.1 Unlike some other licensing regimes (such as for alcohol, entertainment or gambling), a wide range of people can raise objections about sex establishment licences. The Police are a statutory consultee for all applications.
- 11.2 Objectors should have something to say which is relevant to consideration of the statutory grounds for refusal that is set out in the 1982 Act.
- 11.3 The Council takes the following approach to deciding applications:
- (a) each case will be decided upon its merits. This authority will not apply a rigid rule to its decision making;
 - (b) objectors can include residents'/tenants' associations, community associations, and trade associations. Councillors and MPs may also raise objections. Elected councillors may represent interested parties, providing they do not also sit on the Licensing Sub Committee determining the application in question;
 - (c) we will give clear reasons for our decisions.

- 11.4 A report will be submitted in advance of any licence hearing that will outline the application and indicate the general grounds of representations.
- 11.5 Objections will be considered at a hearing by a Licensing Sub Committee of three Councillors. We give both applicants and objectors an equal opportunity to state their case in accordance with the council's hearing procedure, which is available from Thurrock Council.
- 11.6 Objections should:
- Be made in writing, stating in general terms the grounds of the objection (this will include submissions electronically).
 - Indicate the name and address of the person or organisations making the representation.
 - Indicate the premises to which the objection relates.
 - Indicate the proximity of the premises to the person making the objection. A sketch map or plan may be helpful to show this.
 - Clearly set out the reasons for making the objections.
- 11.7 Objections may only be made within the period of 28 days following the date on which the application was given to the council.
- 11.8 The council will not consider any objection that does not contain the name and address of the person making it.
- 11.9 Where objections are made the council will provide copies to the applicant. The council will not divulge the identity of the objector/s to the applicant without their permission to do so.
- 11.10 Where objections are made and not withdrawn, a hearing before a Licensing Sub Committee will normally be held within 20 working days of the end of the period in which objections might be made, unless all parties agree a hearing is unnecessary.
- 11.11 Where no objections are made to the grant of a 'New' Licence, the application will still be referred to a Licensing Sub committee for consideration.
- 11.12 Where no objections are made the re grant of a "Renewal" of an existing licence the application will be granted subject to the terms and conditions shown at Appendix E.

12 Determining applications

- 12.1 When considering applications, the council will have regard to:

- (d) the Local Government (Miscellaneous Provisions) Act 1982
- (e) any supporting regulations;
- (f) this Statement of Licensing Policy.

12.2 This does not, however, undermine the rights of any person to apply for a licence and have the application considered on its individual merits, nor does it override the right of any person to make objections on any application where they are permitted to do so under the Act.

12.3 When determining applications, the council will take account of any comments made by the Chief Officer of Police and any objections made.

12.4 In all cases, the council reserves the right to consider each application on its own merit.

13 Conditions

13.1 The council recognises that all applications should be considered on an individual basis and any condition attached to such a licence will be tailored to each individual premises.

13.2 No condition will be imposed that cannot be shown to be necessary.

13.3 The conditions that may be attached to a licence where appropriate are shown in Appendix F.

14 Refusal of licences

14.1 Except where the council are prohibited from granting, renewing, varying or transferring a licence, the council will not refuse a licence without first: -

- Notifying the applicant or holder of the licence in writing of the reasons;
- Giving the applicant or holder of the licence the opportunity of appearing and making representations before a Licensing Sub Committee.

14.2 The circumstances in which the council must or may refuse a licence are shown in Appendix F

15 Revocation of licences

15.1 The council may revoke a licence: -

- on any of the grounds specified in paragraph 1 of Appendix F of this policy;
- on either of the grounds specified in paragraph 3 (a) and (b) of Appendix F of this policy.

- 15.2 The council will not revoke a licence without first giving the holder of the licence the opportunity of appearing and making representations before a Licensing Sub Committee.

16 Cancellation of licences

- 16.1 The licence-holder may surrender the licence at any time and may request the council in writing to cancel the licence.
- 16.2 In the event of the death of a licence-holder, the licence will be deemed to have been granted to his personal representatives and will remain in force for 3 months from the date of death, unless previously revoked.
- 16.3 Where the council are satisfied that it is necessary for the purpose of winding up the estate of the deceased licence-holder, it may extend or further extend the period in which the licence remains in force.

17 Complaints

- 17.1 Where possible and appropriate the council will give early warning to licence holders of any concerns about problems identified at premises and of the need for improvement.

18 Enforcement

- 18.1 The council is responsible for the administration and enforcement of the licensing regime and will have regard to the Public Protection Enforcement Policy, Department of Business Enterprise & Regulatory Reform's Regulators' Compliance Code and the Better Regulation Commission's five Principles of Good Regulation. The council will carry out its regulatory functions in a fair, open and consistent manner.
- 18.2 Specifically, the council is committed to:
- (a) be proportionate – to only intervene when necessary and remedies will be appropriate to the risk posed;
 - (b) be accountable – to justify decisions, be subject to public scrutiny and allow opportunities to resolve differences before enforcement action is taken, unless immediate action is needed;
 - (c) be consistent – to implement rules and standards fairly;
 - (d) be transparent – to be open and to provide clear explanations of what is needed, by when and the rights of appeal.
 - (e) target its regulatory action at cases in which action is needed.

- 18.3 The council recognises the interests of both citizens and businesses and will work closely, with partners, to assist licence holders to comply with the law and the conditions attached to the licence.
- 18.4 However, proportionate but firm action will be taken against those who commit serious offences or consistently break the law or breach the conditions of the licence.
- 18.5 The council has set clear standards of service and performance that the public and businesses can expect. In particular, an enforcement policy has been created that explains how the council will undertake its role and how the principles of effective enforcement will be achieved.
- 18.6 This policy is freely available from the licensing section, as are details of the corporate complaints procedures, both of which can also be viewed on the Council's website: www.thurrock.gov.uk
