Informatives

Plans and Drawings

The site location plan / red-line site plan needs to clearly identify the site in question via a red-line drawn around the site area, needs to be drawn and printed to an identifiable scale, using recognised base maps (normally Ordnance Survey) and show the direction of North. It should also be clearly labelled and titled.

All other plans must be provided at the specified scale, unless otherwise agreed by the local; planning authority. The scale must be identified on all drawings along with a scale bar. Plans should also include a title, the date, drawing number, with revisions clearly identified and show the direction of north. Every plan based upon Ordnance survey maps must have the appropriate Ordnance Survey copyright notice.
