# Guidelines on filming, photography, recording and use of social media at council and committee meetings

The council welcomes the filming, photography, recording and use of social media at council and committee meetings as a means of reporting on its proceedings because it helps to make the council more transparent and accountable to its local communities.

If you wish to film or photograph the proceedings of a meeting and have any special requirements or are intending to bring in large equipment please contact the Communications Team at <u>CommunicationsTeam@thurrock.gov.uk</u> before the meeting. The Chair of the meeting will then be consulted and their agreement sought to any specific request made.

Where members of the public use a laptop, tablet device, smart phone or similar devices to use social media, make recordings or take photographs these devices must be set to 'silent' mode to avoid interrupting proceedings of the council or committee.

The use of flash photography or additional lighting may be allowed provided it has been discussed prior to the meeting and agreement reached to ensure that it will not disrupt proceedings.

The Chair of the meeting may terminate or suspend filming, photography, recording and use of social media if any of these activities, in their opinion, are disrupting proceedings at the meeting.

#### 10. Review Of The Statement Of Principles Under The Gambling Act 2005 -Consideration Of Public Consultation Comments.

Councillor Hamilton arrived at 7.04 pm.

Members were informed that The Gambling Act 2005 (the Act) required all local authorities to produce a statement of the principles, which they propose to apply when exercising their functions under the Act.

The Act also required that any statement is kept under review and must be republished at least every three years. The current Statement of Principals was now due for review. This report brought back to Members of the Licensing Committee was the reviewed document, along with the comments received during public consultation, for consideration before adoption.

The online consultation results were circulated to the committee.

Members were informed that Gosschalks commented on the local profile aspect of the policy and requested that vulnerable areas and group considerations were included in the application process.

Members discussed the definition of a vulnerable person. The Licensing Officer informed members that the definition of a vulnerable person used in the Gambling Act was established from a study carried out Manchester and Westminster Council.

Councillor Collins questioned how staff would know if a customer had a mental impairment. Members were informed that staff members were trained to recognise behaviour and vulnerable people. Members were made aware that training was not a mandatory condition put in place by the Council, although mandatory training was imposed by almost all large bookmakers as this was something the gambling commission considered as an aspect of their operating licence applications.

Councillor Snell questioned if there was a possibility the council could put a limit on the number of gambling shops in one shopping centre or street. The Head of Public Protection explained that Thurrock did not have a cumulative impact although it was added further that gambling shop had to apply for planning commission which would allow members an opportunity to comment.

Lotteries were discussed amongst the committee members, it was questioned what relevant convictions would disqualify applicants from a Lottery Licence. The Licensing Officer informed members that there was a list of conviction with mainly included fraud and dishonesty offences.

The Licensing Officer informed members that the licensing authority were happy with the corporation received from the Gambling Commission.

Councillor Hamilton questioned if it was possible to ban all gambling advertisement which would appeal to young people. The legal representative explained that this would be difficult to impose and not viable as young people under the age of 18 legally cannot gamble.

#### **Resolved:**

That the Licensing Committee considers the comments received in relation to the draft reviewed Gambling Act Statement of Principles, and agrees the revised version as in Appendix C, for referral to Council for adoption.

4 October 2017	ITEM: 5

Report of: Paul Adams, Principal Licensing Officer					
Accountable Assistant Director: Andy Millard, Assistant Director of Planning & Transportation

Steve Cox, Corporate Director of Environment & Place					
This report is: Public					

#### **Executive Summary**

This report seeks the agreement of the Licensing Committee to implement Sections 165 – 167 of the Equalities Act 2010, which relates to wheelchair access to Hackney Carriage and Private Hire vehicles.

#### 1. Recommendation(s)

- 1.1 The Licensing Committee agrees for the council to designate and maintain a list of wheelchair accessible Hackney Carriage and Private Hire vehicles pursuant to Section 167 of the Equality Act 2010; and
- 1.2 Agrees that the power to designate vehicles under section 167 and the power to determine applications for and to issue exemption certificates under Section 166 to be designated to officer level.

#### 2. Introduction and Background

- 2.1 The Equality Act 2010 (Commencement No.12) Order 2017 was made on the 7 February 2017, and brought into effect from the 6 April 2017 Sections 165 (passengers in wheelchairs) and 167 (lists of wheelchair accessible vehicles) of the Equality Act 2010.
- 2.2 Section167 of the Act provides that for the purpose of section 165 of the Act, a licensing authority may maintain a list of vehicles which are either licensed

private hire or hackney carriages and which conform to such accessibility requirements as the licensing authority thinks fit.

- 2.3 Section165 of the Act imposes duties upon drivers of vehicles designated pursuant to section 167 of the Act when dealing with disabled persons in wheelchairs or a person who wishes to be accompanied by a disabled person in a wheelchair. Those duties are set out in Section 165(4) as follows:
  - To carry the passenger whilst in the wheelchair;
  - Not to make any additional charge for doing so;
  - To take such steps as are reasonably necessary to ensure that the passenger is carried in safety and reasonable comfort; and
  - To give the passenger such mobility as is reasonably required.
- 2.4 Section 165 (7) of the Act creates an offence where the driver of a designated taxi or private hire vehicle fails to comply with a duty imposed upon them under the section. This is punishable on summary conviction by a fine not exceeding scale 3 on the standard scale (currently £1000).
- 2.5 Section 166 of the Act makes provision for licensing authorities to issue exemptions to drivers where they are satisfied it is appropriate to do so:
  - On medical grounds; or
  - On the ground that the person's physical conditions make it impossible or unreasonably difficult for the person to comply with those duties.
- 2.6 If a driver is exempt, they will be issued with an exemption certificate and required to display a notice of exemption, as set out in the Equality Act 2010 (Taxis and Private Hire vehicles) (Passengers in Wheelchairs Notices of Exemption) Regulations 2017.

#### 3. Issues, Options and Analysis of Options

- 3.1 The provisions contained within Section 167 of the Act are discretionary. The council must therefore determine whether it intends to designate vehicles. Without such a list however, Section 165 and the duties imposed on drivers will have no effect as it only relates to those private hire and hackney carriages designated pursuant to Section 167.
- 3.2 It is proposed that the power to designate vehicles under section 167 and the power to determine applications for and to issue exemption certificates under Section 166 to be designated to officer level.

#### 4. Reasons for Recommendation

4.1 It is strongly recommended by Government that authorities exercise this power, and in doing so would assist the independence and mobility of disabled persons in wheelchairs.

Accountable Director: Steve Cox, Corporate Director of Environment & Place				
This report is: Public				

#### Executive Summary

This report provides an update on the progress of delivery for Thurrock Council's Child Sexual Exploitation Awareness Training for Hackney Carriage and Private Hire Drivers, which was implemented as a pre application requirement in July 2016.

- 1. Recommendation(s)
- **1.1** To note the contents of the report.
- 2. Introduction and Background
- 2.1 Child Sexual Exploitation (CSE) has been a growing concern nationally, with a number of high-profile cases being highlighted in the national press over recent years, such as Rotherham.
- 2.2 It has been identified during the investigations and enquiries into cases of CSE, such as the Jay Enquiry that "The prominent role of taxi drivers in CSE as a 'common thread' across England and noted that their involvement was evident from an early stage in Rotherham."
- 2.3 These findings are not identifying taxi drivers as the perpetrators of CSE, but highlights the victims of CSE are often moved about in Taxis,

often unknowingly buy the taxi driver, and they often unknowingly hold important information to help prevent and detect CSE.

- 2.4 As part of an initiative from Thurrock's MASE (Multi agency sexual exploitation) group, a CSE Awareness training course has been produced which is specifically aimed at Hackney Carriage/Private Hire drivers.
- 2.5 The training provides taxi drivers with:
  - A definition and understanding of what CSE is,
  - How to identify the signs of CSE,
  - How taxis could be used in cases of CSE,
  - How to report any concerns that drivers may have,
  - How to safeguard themselves from safeguarding complaints and allegations when transporting children or other vulnerable persons.
- 2.6 The training is being provided free of charge to the drivers, and is being delivered from August 2016 by Thurrock Council's CSE coordinator, and a CSE specialist from Essex Police.

#### 3. Issues, Options and Analysis of Options

- 3.1 Thurrock Council currently has licensed 335 Hackney Carriage and Private Hire drivers.
- 3.2 Following the most recent course in August 2017 there was only 13 drivers that remain untrained. There is one more course available this year in December. It is anticipated that following this course all existing drivers will have attended this training.
- 3.3 An e-learning course that follows the content of the classroom delivered training package has being developed to allow new applicants to receive the appropriate training before starting driving. This course will be sat at the same time as the knowledge test.

#### 4. Reasons for Recommendation

- 4.1 The report is for information only.
- 5. Consultation (including Overview and Scrutiny, if applicable)
- 5.1 None

# 6. Impact on corporate policies, priorities, performance and community impact

6.1 Making this training mandatory for all drivers has contribute to the prevention of CSE affecting the local community; this is part of a much larger CSE prevention plan for Thurrock.
