Guidelines on filming, photography, recording and use of social media at council and committee meetings

The council welcomes the filming, photography, recording and use of social media at council and committee meetings as a means of reporting on its proceedings because it helps to make the council more transparent and accountable to its local communities. If you wish to film or photograph the proceedings of a meeting and have any special requirements or are intending to bring in large equipment please contact the Communications Team at CommunicationsTeam@thurrock.gov.uk before the meeting. The Chair of the meeting will then be consulted and their agreement sought to any specific request made.

Where members of the public use a laptop, tablet device, smart phone or similar devices to use social media, make recordings or take photographs these devices must be set to 'silent' mode to avoid interrupting proceedings of the council or committee. The use of flash photography or additional lighting may be allowed provided it has been discussed prior to the meeting and agreement reached to ensure that it will not disrupt proceedings.

The Chair of the meeting may terminate or suspend filming, photography, recording and use of social media if any of these activities, in their opinion, are disrupting proceedings at the meeting.

DECLARING INTERESTS FLOWCHART – QUESTIONS TO ASK YOURSELF

Breaching those parts identified as a pecuniary interest is potentially a criminal offence

Helpful Reminders for Members

- *Is your register of interests up to date?*
- *In particular have you declared to the Monitoring Officer all disclosable pecuniary interests?*
- *Have you checked the register to ensure that they have been recorded correctly?*

When should you declare an interest *at a meeting*?

- **What matters are being discussed at the meeting?** (including Council, Cabinet, Committees, Subs, Joint Committees and Joint Subs); or
- If you are a Cabinet Member making decisions other than in Cabinet **what matter is before you for single member decision?**

Does the business to be transacted at the meeting

- relate to; or
- likely to affect

any of your registered interests and in particular any of your Disclosable Pecuniary Interests?

Disclosable Pecuniary Interests shall include your interests or those of:

- your spouse or civil partner's
- a person you are living with as husband/ wife
- a person you are living with as if you were civil partners

where you are aware that this other person has the interest.

A detailed description of a disclosable pecuniary interest is included in the Members Code of Conduct at Chapter 7 of the Constitution. **Please seek advice from the Monitoring Officer about disclosable pecuniary interests.**

What is a Non-Pecuniary interest? – this is an interest which is not pecuniary (as defined) but is nonetheless so significant that a member of the public with knowledge of the relevant facts, would reasonably regard to be so significant that it would materially impact upon your judgement of the public interest.

Pecuniary

If the interest is not already in the register you must (unless the interest has been agreed by the Monitoring Officer to be sensitive) disclose the existence and nature of the interest to the meeting

If the Interest is not entered in the register and is not the subject of a pending notification you must within 28 days notify the Monitoring Officer of the interest for inclusion in the register

Unless you have received dispensation upon previous application from the Monitoring Officer, you must:

- **Not participate or participate further in any discussion of the matter at a meeting;**
- **Not participate in any vote or further vote taken at the meeting; and**
- **leave the room while the item is being considered/voted upon**

If you are a Cabinet Member you may make arrangements for the matter to be dealt with by a third person but take no further steps

Non-pecuniary

Declare the nature and extent of your interest including enough detail to allow a member of the public to understand its nature

You may participate and vote in the usual way but you should seek advice on Predetermination and Bias from the Monitoring Officer.

Minutes of the Meeting of the Constitution Working Group held on 26 March 2024 at 7.00 pm

Apologies:

In attendance:

Matthew Boulter, Head of Democratic, Scrutiny and Member Services
Daniel Fenwick, Executive Director of Corporate Services, and Monitoring Officer
Madeleine Humphries – CIPFA
Rhiannon Whiteley, Senior Democratic Services Officer

Before the start of the Meeting, all present were advised that the meeting was not being recorded but minutes would be provided.

5. Apologies for Absence

None.

6. Items of Urgent Business

There were no items of urgent business.

7. Declarations of Interest

No interests were declared.

8. Constitution chapters for approval - a. Chapter 0 (Intervention) b. Chapter 6 (Scheme of Delegation) c. Chapter 9 (Finance Procedure Rules) d. Chapter 12 Part 3 (Council Owned Companies)

Members queried that there was not a second eye on some delegated authorisations

- Paragraph 2.10 says 'budget holder' but this is not defined. The Executive Director of Corporate Services, and Monitoring Officer confirmed this would be the person in the Scheme of Delegation with delegated authority and this will normally be the Head of Services or Director.

- Members queried on page 132 and 133 that there was no member oversight.
- The Executive Director of Corporate Services, and Monitoring Officer advised the Working Group that the level of oversight needed to be proportionate. There will often be other checks and balances and a property decision for example would go through legal services and finance first. Internal Audit also provide checks. If two members oversight was required that would be more than most other Local Authorities have in place. Portfolio Holders can have informal oversight through regular meetings with their Directorate.
- Members agreed they could become too bogged down if oversight was required for matters under 500k.
- Members stated that they will have to be strategic and trust officers otherwise the Cabinet Member for Finance will have to spend too much time on this.
- The Executive Director of Corporate Services, and Monitoring Officer advised that straightforward decisions will take longer.
- Members suggested that reference is made in the constitution as to where the checks and balance procedures can be found.
- The Head of Democratic, Scrutiny and Member Services requested members approval to amend the Council structure in the Scheme of Delegation as a result of staff changes since it was drafted.
- The Working Group agreed the Finance Procedure Rules

9. Constitution chapters for discussion - a. Chapter 2 (Council Procedure Rules - CPRs) b. Discussion points for MCWG on CPRs c. Definitions

- Members queried why other types of meetings such as State of the Borough had been removed. Madeleine Humphreys from CIPFA confirmed that she had been advised they had never been used. Members raised that an extraordinary meeting could always be called.
- The Executive Director of Corporate Services, and Monitoring Officer suggested they may wish to add the Budget Setting meeting here and add rules for that meeting.
- Members raised these meetings may become more relevant when the Council moves to a 4 year administration.

- Members raised the wording of petitions. It was agreed the wording should be changed – the word ‘may’ should be removed and replaced with ‘will’ and the word ‘verified’ added.
- The Executive Director of Corporate Services, and Monitoring Officer stated that Full Council is the same in most places. There is a focus on motions and Chairs of Overview and Scrutiny presenting and being held to account. It was for Members to decide what they want Full Council to do.
- The Executive Director of Corporate Services, and Monitoring Officer also raised the length of meetings and the guillotine procedure and concern that new members will not know what is going on and may be frightened to speak.
- Members raised that meetings should not exceed 3 ½ hours.
- The meeting discussed whether senior officers should speak at Full Council. The Executive Director of Corporate Services, and Monitoring Officer confirmed that Full Council is a political meeting and he wouldn’t recommend that officers speak unless an exception applied where an officer is complying with a statutory duty. For example, the Monitoring Officer could speak if legal advice is required. The Executive Director of Corporate Services, and Monitoring Officer said it could be codified when the Monitoring Officer, S151 Officer and Chief Executive can speak.
- Members raised that an amendment to a motion should be made 24 hours before the meeting. Members could still negotiate an amendment to a motion right up to the meeting.
- The meeting discussed whether all should members be made aware if a motion is going to be withdrawn. The meeting was not in agreement on this point. Some members took the view that this was the nature of politics and officers should not become involved in this. Some members felt they should be working together and trying to avoid similar motions coming forward on the agenda.
- The Executive Director of Corporate Services, and Monitoring Officer suggested a whips meeting takes place before Full Council so issues like this can be discussed. It would help all groups understand how the meeting is going to progress. A running order paper can also be provided, which is a shorter version of the agenda.
- The Working Group members agreed the Council Procedure Rules

10. Thurrock Constitution Project Plan

Madeleine Humphreys from CIPFA introduced the item and confirmed that the project plan set out what sections of the constitution are likely to be the most important to resolve and puts them in order of priority. The dates in the project plan tie in with the meeting dates next year for the Members and Officers Constitution Working Groups.

The Executive Director of Corporate Services, and Monitoring Officer explained that he will also be discussing this with the Commissioners to ensure it aligns with their expectations. The Executive Director of Corporate Services, and Monitoring Officer acknowledged the Finance Procedure Rules were tricky and now the group is getting used to the process hopefully it will pick up pace.

Members suggested that the timetable is re-started from the 1st April 2024.

The meeting finished at 8.11 pm

Approved as a true and correct record

Chapter 4 – Overview and Scrutiny

Part 1 – Overview and Scrutiny Procedure Rules

Local authorities must make decisions in an open and transparent way. The Council has Overview and Scrutiny Committees in place to review decisions made by the Leader and Cabinet and to contribute to policy development. In this way, Overview and Scrutiny provides checks and balances on the Council's decision-making.

This Chapter sets out the framework for Overview and Scrutiny and the details of the areas covered by the Council's Overview and Scrutiny Committees.

This Chapter 4 should be read in conjunction with the Council's Scrutiny Protocol.

Appointment of Overview and Scrutiny Committees

1.1 The Council must appoint one or more Overview and Scrutiny Committees to discharge its duty to scrutinise Executive decision-making. It may appoint as many committees as it thinks fit to discharge this function.

Terms of Reference

1.2 The Council will determine the terms of reference for each Overview and Scrutiny Committee and may amend them from time to time as it sees fit. The Council has resolved to establish the following Overview and Scrutiny Committees:

- (a) Corporate;
- (b) People; and
- (c) Place.

2.5 Number of members

2.6 Each Overview and Scrutiny Committee shall have **10** members, including a Chair and a Vice Chair.

2.7 Where an Overview and Scrutiny Committee has members who are not Councillors, the membership will be **10** Councillors plus any other members required to be appointed. This does not apply to any joint arrangements entered into by the Council.

Participation by persons who are not Councillors

2.8 Subject, where appropriate, to relevant provisions set out in a scheme made by the Council for such purposes and to any other relevant legislative limitations, an Overview and Scrutiny Committee may include persons who are not Councillors to act as advisers or non-voting contributors.

- (a) pre-decision scrutiny of Cabinet decisions; or
 - (b) call-in of a Cabinet decision made but not implemented.
- 8.2 An Overview and Scrutiny Committee member may request that an item of unplanned scrutiny business be considered by the Committee by giving notice in writing to the Scrutiny Officer not less than **7 Clear Days** before the date of the next meeting, stating the reasons for the request and the proposed outcome.

11.2 There will be a standing item on the agenda of all ordinary meetings of Overview and Scrutiny Committees to allow such requests to be considered.

11.3 Any Member who submits a request will have the right to attend the meeting at which the item is to be considered to explain the reasons for the request and to have the item discussed.

12. Additional rights of access to information for Overview and Scrutiny Committee Members

12.1 Overview and Scrutiny Committees will have access to the Forward Plan of Key Decisions of the Cabinet and the timetable for decisions and intentions for consultation.

- 14.3 Attendance shall be prioritised as follows:
- (a) the Leader and/or the relevant Cabinet Member(s);
 - (b) the Chief Executive and/or the relevant Executive Director(s); and

- 14.6 All requests for attendance at a meeting will be made through the Scrutiny Officer and will provide reasons for the request and details of the matters on which the Member or Officer will be questioned.

- 14.7 A Member or Officer is not required to respond to any question:
- (a) that falls outside the Committee's remit;
 - (b) which may be relevant to any disciplinary or other action that may be taken against them by the Council; or

16.4 Before making a CCfA, Members should refer to the Council's CCfA Protocol.

19.3 The declaration should be recorded in the minutes of the meeting.

20. Overview and Scrutiny planning

20.1 The Chairs and Vice Chairs of Overview and Scrutiny Committees may meet with the Cabinet and senior Officers to ensure the effective administration of Overview and Scrutiny and its work programme, and to facilitate pre-decision scrutiny.

- 23.3 The rules relating to admission to and reporting of meetings in **Rule 28** of the Council Procedure Rules in Chapter 2 of this Constitution shall apply to meetings of Overview and Scrutiny Committees.

DRAFT

Part 2 – Call-in

The “call-in” process allows Overview and Scrutiny Committees to scrutinise Executive decisions that have been made but not yet implemented by the Council. Decision makers must consider any recommendations made by the Overview and Scrutiny Committee before the decision is implemented.

1. Notice of Cabinet and Key Decisions

- 1.1 Notice of an Executive decision shall be published on the Council’s website within **2 Clear Working Days** of the decision being made. Members will be sent links to any published decision.
- 1.2 Any such notice shall include the date of publication and that the decision will be implemented **5 Clear Working Days** after that date, unless the decision is called in.

2. Calling in a decision

Submitting a valid call-in request

- 2.1 Any request to call in an Executive decision must:
 - (a) be submitted in writing (including by email) to the Scrutiny Officer before **5pm on the fourth Clear Working Day** after publication of notice of the relevant decision;
 - (b) be supported by any **four** Members and must cite a lead Member;
 - (c) give reasons for the call-in request and outline the alternative course of action, or recommendations, proposed; and
 - (d) not be excluded from call-in as set out in this Constitution.
- 2.2 Before deciding on the validity of a call-in request, the Scrutiny Officer may seek clarification from the lead Member cited in the call-in request. The Scrutiny Officer is not obliged to assist Members in ensuring that a call-in request is valid.

Decisions not subject to call-in

- 2.3 A decision is not subject to call-in where:
 - (a) the urgency procedures below have been followed;
 - (b) the decision has already been considered by an Overview and Scrutiny Committee before it was made (pre-decision scrutiny) and there has been no substantive change to the decision (except to accept the recommendation of an Overview and Scrutiny Committee);
 - (c) the alternative course of action and/or recommendations proposed in the call-in have already been considered and rejected;
 - (d) the Cabinet or other decision maker has given notice that it will reconsider its decision without the need for call-in (so long as the decision maker has given written notice to the Chair of the relevant Overview and Scrutiny Committee and the Scrutiny Officer); or

- (e) the call-in:
 - (i) relates to a Cabinet decision to refer a matter to Full Council;
 - (ii) relates to an operational management decision taken by Officers; or
 - (iii) is considered by the Chief Executive to be frivolous, vexatious or outside the scope of the call-in provisions.

Decisions outside the Budget and Policy Framework

2.4 Any call-in of a decision on the grounds that it is outside the Budget and Policy Framework will be dealt with under the Budget and Policy Framework Procedure Rules.

Implementation of decisions

2.5 Any decision that is not validly called in will become effective **5 Clear Working Days** after it is made.

3. Urgent decisions and waiver of call-in

3.1 The call-In procedure shall not apply where the decision being taken is urgent.

3.2 A decision is urgent if:

- (a) it is made under the urgency procedures in the Access to Information Procedure Rules;
- (b) in the opinion of the Monitoring Officer, any delay likely to be caused by the call-In process would be likely to expose the Council, the public, or other stakeholders, to a significant level of risk, loss, damage, or disadvantage; or
- (c) the Chair of the relevant Overview and Scrutiny Committee has consented to the waiver of call-in.

3.3 Where a decision is urgent, the relevant notice of publication shall state that the decision is not subject to call-in.

3.4 Where the Cabinet has recorded a decision as urgent, an Overview and Scrutiny Committee may retrospectively review actions arising from that decision but cannot delay its implementation.

4. Call-in procedure

Reference of call-in to relevant meeting

4.1 Where a valid call-in is made, the Scrutiny Officer will:

- (a) notify the decision maker and the Chief Executive that a call-in request has been made; and
- (b) determine the relevant Overview and Scrutiny Committee to consider the call-in.

4.2 The Scrutiny Officer will then, in consultation with the Chief Executive, take one of the following actions:

- (a) refer the call-in to the next relevant Overview and Scrutiny Committee meeting if it is due to take place within **7 Clear Working Days** of receipt of the call-in request; or
- (b) if (a) does not apply:
 - (i) convene an extraordinary meeting of the relevant Overview and Scrutiny Committee as soon as practicable; or
