## Publicity in connection with Key Decisions

Where the Council intends to make a key decision, that decision must not be made until a document has been published which states:

- that a key decision is to be made on behalf of the Council;
- the matter in respect of which the decision is to be made;
- where the decision maker is an individual, that individual's name, and title if any and, where the decision maker is a decision-making body, its name and a list of its members;
- the date on which, or the period within which, the decision is to be made;
- a list of the documents submitted to the decision maker for consideration in relation to the matter in respect of which the key decision is to be made;
- the address from which, subject to any prohibition or restriction on their disclosure, copies of, or extracts from, any document listed is available;
- that other documents relevant to those matters may be submitted to the decision maker;
- the procedure for requesting details of those documents (if any) as they become available.

The Forward Plan will be updated with the information set out above and will be published **at least 28 days before the date of the Council meeting to which it refers.**

## Admission of the public to meetings of the Council

A meeting of the Council must be open to the public except to the extent that the public are excluded.

The public must be excluded from a meeting during an item of business whenever:

- (a) it is likely, in view of the nature of the business to be transacted or the nature of the proceedings, that if members of the public were present during that item, confidential information would be disclosed to them in breach of the obligation of confidence;

- (b) the decision-making body concerned passes a resolution to exclude the public during that item where it is likely, in view of the nature of the item of business, that if members of the public were present during that item, exempt information would be disclosed to them;
- (c) a lawful power is used to exclude a member or members of the public in order to maintain orderly conduct or prevent misbehaviour at a meeting.

**Confidential or Exempt information:**

At least 28 clear days before a meeting where confidential or exempt information is to be considered, the Council will make available at the Civic Offices and on its website, a notice of its intention to hold all or part of a meeting in private, i.e., where the press and public are excluded.

Any such notice must include a statement of the reasons for the meeting to be held in private. Upon publication of this notice, representations may be received by the Council about why a particular decision should be open to the public. Any such representations should be made as follows:

In writing, addressed to:                   Democratic Services,

New Road,  
Grays,  
Essex

At least five clear days before a private meeting, where the press and public are excluded from all or part of a meeting, the Council will make available at the Civic Offices and on its website a further notice of its intention to hold all or part of a meeting in private.

This notice must include a statement of the reasons for all or part of the meeting to be held in private, details of any representations received by the decision-making body about why the meeting should be open to the public, and, a statement of its response to any such representations made.
