## THE FORWARD PLAN

The Council produces a Forward Plan detailing “Key Decisions” that are to be taken over the next four months by the Leader of the Council, the Cabinet, Cabinet Members and Officers of the Council.

“Key Decisions” are defined as those that are likely to

- (a) to result in the relevant local authority incurring expenditure which is, or the making of savings which are, significant having regard to the relevant local authority’s budget for the service or function to which the decision relates; or
- (b) to be significant in terms of its effects on communities living or working in an area comprising two or more wards or electoral divisions in the area of the relevant local authority.

For the purpose of (a) above, the Council has defined significant expenditure or savings as being in excess of £500,000 per annum.

For information purposes, the Forward Plan also includes some other matters expected to come before Cabinet or that the Cabinet is likely to recommend to full Council whether or not they may give rise to Key Decisions.

- the matter in respect of which the decision is to be made;
- where the decision maker is an individual, that individual's name, and title if any and, where the decision maker is a decision-making body, its name and a list of its members;
- the date on which, or the period within which, the decision is to be made;
- a list of the documents submitted to the decision maker for consideration in relation to the matter in respect of which the key decision is to be made;
- the address from which, subject to any prohibition or restriction on their disclosure, copies of, or extracts from, any document listed is available;
- that other documents relevant to those matters may be submitted to the decision maker;
- the procedure for requesting details of those documents (if any) as they become available.

The Forward Plan will be updated with the information set out above and will be published **at least 28 days before the date of the Cabinet meeting to which it refers.**

- (b) the decision-making body concerned passes a resolution to exclude the public during that item where it is likely, in view of the nature of the item of business, that if members of the public were present during that item, exempt information would be disclosed to them;
- (c) a lawful power is used to exclude a member or members of the public in order to maintain orderly conduct or prevent misbehaviour at a meeting.

**Confidential or Exempt information:**

At least 28 clear days before a meeting where confidential or exempt information is to be considered, the Council will make available at the Civic Offices and on its website, a notice of its intention to hold all or part of a meeting in private, i.e., where the press and public are excluded.

Any such notice must include a statement of the reasons for the meeting to be held in private. Upon publication of this notice, representations may be received by the Council about why a particular decision should be open to the public. Any such representations should be made as follows:

This notice must include a statement of the reasons for all or part of the meeting to be held in private, details of any representations received by the decision-making body about why the meeting should be open to the public, and, a statement of its response to any such representations made.
