		effective way to let residents of Thurrock understand the financial pressures the Council has faced over this period and those due to be addressed.		
28/09/2016	Cllr J Kent	Thurrock Council is extremely concerned that much of Grays Beach Park was not open for residents to enjoy for so much of the summer. Council requests that the Cleaner, Greener, Safer Overview and Scrutiny Committee (or / and the relevant director) investigate these issues including inviting evidence from Anglian Water, relevant council officers and members before reporting back to the Full Council as soon as reasonably practical about the reasons and responsibilities for so much of Grays Beach Park not being open to residents over the summer period.	Cleaner, Greener, Safer, Overview and Scrutiny Committee considered this at its meeting of 11 October 2016 and set out the terms for an investigation. The outcome of the investigation was considered by Cleaner, Greener, Safer, Overview and Scrutiny Committee on 6 December 2016.	Steve Cox

		support the community by working with residents and providers.		
25/1/2017	Cllr Watkins	That Thurrock Council supports the government's position on introducing an oath to British Values, and will look into the options for creating a local one for Thurrock.	A number of potential options have been drafted and we are currently seeking an independent opinion on those options as well as consulting with governance group and other authorities to seek the best option for a potential template that may obtain wide approval.	David Lawson
22/02/17	Cllr J Kent	The Thameside Theatre is held in great affection by residents across Thurrock. Therefore the sudden announcement that the theatre is likely to close by April 2019 is causing real concern in many quarters. Council is of the collective view that the Thameside Theatre should remain open until a new civic theatre for Thurrock, situated in Grays, has opened.	Work is ongoing to review what is currently provided at the theatre and what can be done to improve its future financial viability. In parallel, work is continuing to look at options for new theatre provision in Grays in the context of work on the wider Grays masterplan.  The commitment remains to theatre provision continuing in Grays to support an evening economy. The theatre will not be closed until there is a replacement.	Steve Cox
22/02/17	Cllr Snell	In order to demonstrate transparency on its policies, implementation of its policies and overall performance and further to Gloriana Limited willingness to co-operate with such scrutiny from Members, Thurrock Council believes that Gloriana Limited should: provide an Annual Report to the Council; provide regular quarterly updates to our General Services Committee, voluntarily submit to the full democratic scrutiny of Full Council and General Services Committee on the thoroughness of its Business Plan and funding requirements. This is not to seek to inappropriately discuss the specific merits of any material planning considerations or predetermine the quasi-judicial decision properly within the remit of our Planning Committee on the current part heard planning application.	The motion agreed by Council has been raised and discussed with Gloriana Thurrock Ltd (GTL). GTL welcomes the continued scrutiny of its activities, business planning and funding requirements by Council, including producing an annual report and quarterly reports to its shareholders forming part of the General Services Committee. GTL is working with the Council to formalise how this will be implemented at the next Gloriana Board meeting and ahead of a report to the next general meeting of GTL Shareholders planned for May 2017. GTL welcomes the reassurance provided in the motion with regard to Members of the Council which also form part of the Planning Committee.	Steve Cox
