Dear Suresh,

This letter of representations is provided in connection with your audit of the consolidated and council financial statements of Thurrock Council (“the Group and Council”) for the year ended 31 March 2017. We recognise that obtaining representations from us concerning the information contained in this letter is a significant procedure in enabling you to form an opinion as to whether the consolidated and council financial statements give a true and fair view of the Group and Council financial position of Thurrock Council as of 31 March 2017 and of its financial performance and its cash flows for the year then ended in accordance with, for the Group and Council, the CIPFA LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2016/17.

We understand that the purpose of your audit of our consolidated and council financial statements is to express an opinion thereon and that your audit was conducted in accordance with International Standards on Auditing, which involves an examination of the accounting system, internal control and related data to the extent you considered necessary in the circumstances, and is not designed to identify - nor necessarily be expected to disclose - all fraud, shortages, errors and other irregularities, should any exist.

Accordingly, we make the following representations, which are true to the best of our knowledge and belief, having made such inquiries as we considered necessary for the purpose of appropriately informing ourselves:

A. Financial Statements and Financial Records

1. We have fulfilled our responsibilities, under the relevant statutory authorities, for the preparation of the financial statements in accordance with, for the Group and Council, the Accounts and Audit Regulations 2015 and CIPFA LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2016/17.
2. We acknowledge, as members of management of the Group and Council, our responsibility for the fair presentation of the consolidated and council financial statements. We believe the consolidated and council financial statements referred to above give a true and fair view of the financial position, financial performance and cash flows of the Group and Council in accordance with the CIPFA LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2016/17 and are free of material misstatements, including omissions. We have approved the consolidated and council financial statements.

3. The significant accounting policies adopted in the preparation of the Group and Council financial statements are appropriately described in the Group and Council financial statements.
4. As members of management of the Group and Council, we believe that the Group and Council have a system of internal controls adequate to enable the preparation of accurate financial statements in accordance with the CIPFA LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2016/17 for the Group and for the Council that are free from material misstatement, whether due to fraud or error.
5. We believe that the effects of any unadjusted audit differences, summarised in the accompanying schedule, accumulated by you during the current audit and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the consolidated and council financial statements taken as a whole. We have not corrected these differences identified by and brought to the attention from the auditor because the items are not material to the Council's financial statements, there is minimal impact on useable reserves and, where applicable, corrections have been made in the subsequent period. The items are listed in Appendix 1.

B. Fraud

1. We acknowledge that we are responsible for the design, implementation and maintenance of internal controls to prevent and detect fraud.
2. We have disclosed to you the results of our assessment of the risk that the consolidated and council financial statements may be materially misstated as a result of fraud.
3. We have no knowledge of any fraud or suspected fraud involving management or other employees who have significant role in the Group or Council's internal controls over financial reporting. In addition, we have no knowledge of any fraud or suspected fraud involving other employees in which the fraud could have a material effect on the consolidated or council financial statements. We have no knowledge of any allegations or financial improprieties, including fraud or suspected fraud, (regardless of the source or form and including without limitation, any allegations by "whistleblowers") which could result in a misstatement of the consolidated or council financial statements or otherwise affect the financial reporting of the Group or Council.

C. Compliance with Laws and Regulations

1. We have disclosed to you all identified or suspected non-compliance with laws and regulations whose effects should be considered when preparing the consolidated and council financial statements.

D. Information Provided and Completeness of Information and Transactions

1. We have provided you with:
 - Access to all information of which we are aware that is relevant to the preparation of the financial statements such as records, documentation and other matters;
 - Additional information that you have requested from us for the purpose of the audit; and
 - Unrestricted access to persons within the entity from whom you determined it necessary to obtain audit evidence.

2. All material transactions have been recorded in the accounting records and are reflected in the consolidated and council financial statements.
3. We have made available to you all minutes of the meetings of the Council, and committees (or summaries of actions of recent meetings for which minutes have not yet been prepared) held through the year to the most recent meeting on the following date: 21 September 2017.
4. We confirm the completeness of information provided regarding the identification of related parties. We have disclosed to you the identity of the Group and Council's related parties and all related party relationships and transactions of which we are aware, including sales, purchases, loans, transfers of assets, liabilities and services, leasing arrangements, guarantees, non-monetary transactions and transactions for no consideration for the year ended, as well as related balances due to or from such parties at the year end. These transactions have been appropriately accounted for and disclosed in the consolidated and council financial statements.
5. We believe that the significant assumptions we used in making accounting estimates, including those measured at fair value, are reasonable.
6. We have disclosed to you, and the Group and Council has complied with, all aspects of contractual agreements that could have a material effect on the consolidated and council financial statements in the event of non-compliance, including all covenants, conditions or other requirements of all outstanding debt.

E. Liabilities and Contingencies

1. All liabilities and contingencies, including those associated with guarantees, whether written or oral, have been disclosed to you and are appropriately reflected in the consolidated and council financial statements.
2. We have informed you of all outstanding and possible litigation and claims, whether or not they have been discussed with legal counsel.
3. We have recorded and/or disclosed, as appropriate, all liabilities related litigation and claims, both actual and contingent.

F. Subsequent Events

1. There have been no events subsequent to year end which require adjustment of or disclosure in the consolidated and council financial statements or notes thereto.

G. Group Audits

1. There are no significant restrictions on our ability to distribute the retained profits of the Group because of statutory, contractual, exchange control or other restrictions.
2. Necessary adjustments have been made to eliminate all material intra-group unrealised profits on transactions amongst council, subsidiary undertakings and associated undertakings.

H. Expenditure Funding Analysis

1. We have reviewed the new requirements (as set out in the CIPFA LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2016/17), in relation to the preparation of the Expenditure Funding Analysis to replace the previous segmental reporting analysis, and confirm that all

required amendments to the Comprehensive Income and Expenditure Statement and Movement in Reserves Statement, as well as the requirements to prepare the Expenditure Funding Analysis and related notes have been correctly reflected in the financial statements, including retrospectively reflecting this in the financial statements.

2. We confirm that the financial statements reflect the operating segments reported internally to the Council.

I. Other Information

1. We acknowledge our responsibility for the preparation of the other information, the Narrative Report and the Annual Governance Statement.
2. We confirm that the content contained within the other information is consistent with the financial statements.

K. Reserves

1. We have properly recorded or disclosed in the consolidated and council financial statements the useable and unusable reserves.

L. Contingent Liabilities

1. We are unaware of any violations or possible violations of laws or regulations the effects of which should be considered for disclosure in the financial statements or as the basis of recording a contingent loss (other than those disclosed or accrued in the financial statements).
2. We are unaware of any known or probable instances of non-compliance with the requirements of regulatory or governmental authorities, including their financial reporting requirements, and there have been no communications from regulatory agencies or government representatives concerning investigations or allegations of non-compliance, except as follows:
 - Matters of routine, normal, recurring nature (e.g., examinations by bank and insurance examiners, examinations by taxing authorities, etc., none of which involves any allegations of noncompliance with laws or regulations that should be considered for disclosure in the financial statements or as a basis for recording a loss contingency.

M. Purchase and Sales Commitments and Sales Terms

1. Losses arising from purchase and sales commitments have been properly recorded and adequately disclosed in the financial statements.
2. At the 31 March 2017, the Authority had no unusual commitments or contractual obligations of any sort which were not in the ordinary course of business and which might have an adverse effect upon the Authority (e.g.,

contracts or purchase agreements above market price; repurchase or other agreements not in the ordinary course of business; material commitments for the purchase of property, plant and equipment; significant foreign exchange commitments; open balances on letters of credit; purchase commitments for inventory quantities in excess of normal requirements or at prices in excess of the prevailing market prices; losses from fulfilment of, or inability to fulfil, sales commitments, etc.).

N. Use of the Work of a Specialist

1. We agree with the findings of the specialists that we engaged to evaluate the measurement and valuation of Property and the Pension Fund and have adequately considered the qualifications of the specialists in determining the amounts and disclosures included in the financial statements and the underlying accounting records. We did not give or cause any instructions to be given to the specialists with respect to the values or amounts derived in an attempt to bias their work, and we are not otherwise aware of any matters that have had an effect on the independence or objectivity of the specialists.

O. Accounting Estimates (property, plant and equipment and pensions valuations)

1. We believe that the measurement processes, including related assumptions and models, used to determine the accounting estimates have been consistently applied and are appropriate in the context of the CIPFA LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2016/17.
2. We confirm that the significant assumptions used in making the estimates for property, plant and equipment and pensions appropriately reflect our intent and ability to carry out providing services on behalf of the entity.
3. We confirm that the disclosures made in the financial statements with respect to the accounting estimates are complete and made in accordance with the CIPFA LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2016/17.
4. We confirm that no adjustments are required to the accounting estimates and disclosures in the financial statements due to subsequent events.

P. Retirement Benefits

1. On the basis of the process established by us and having made appropriate enquiries, we are satisfied that the actuarial assumptions underlying the scheme liabilities are consistent with our knowledge of the business. All significant retirement benefits and all settlements and curtailments have been identified and properly accounted for.

Yours sincerely,

(Director of Finance and IT)

(Chairman of the Standards and Audit Committee)

Appendix 1 – Uncorrected Misstatements.

The following items have not been corrected in the 2016/17 financial statements:

1. £7.03m understatement of Property, Plant and Equipment due to an incorrect Gross Internal Area being applied in the valuation of the Blackshots Leisure Centre.
2. £6.382m understatement of council dwellings due to the incorrect calculation of the index applied.
3. £0.625m overstatement of capital additions and corresponding understatement of Revenue Expenditure Funded by Capital under Statute (REFCUS) due to item being incorrectly classified.
4. £0.406m of capital expenditure that should have been recorded in 2015/16 but was recorded in 2016/17.
5. £1.574m projected overstatement of REFCUS due to one item of expenditure (value £77,952) being incorrectly recorded as REFCUS.
6. £0.627m projected overstatement of creditor balances based on insufficient supporting documentation for three items (value £35,298).

Items 1, 2 and 6 will be corrected in 2017/18. Item 4 is correctly stated in 2016/17. The Council disagrees with the proposed treatment of item 3. Item 5 has no ongoing impact in subsequent periods and the Council has reviewed the remaining REFCUS population and is satisfied the issue relates specifically to the one item selected.
