

QUESTIONS FROM MEMBERS OF THE PUBLIC

There are 2 questions from members of the public.

1. From Mr Atkins to Councillor Halden

Could the Portfolio Holder for Education and Health tell me how many children are currently waiting for a school place via the SEN department please?

2. From Mr Perrin to Councillor Collins

The Council recently submitted two complaints to the Independent Press Standards Organisation (IPSO), about the Editor of a Local Newspaper. Was there any financial cost to the public, if yes, how much?
