Executive Summary

The Children and Social Work Act 2017 and Working Together 2018 dissolves the requirement for Local Safeguarding Children's Boards and requires new arrangements to be put into place. It is the responsibility of Local Authorities to ensure that the new safeguarding arrangements meet the statutory requirements of these new arrangements. Government Guidance has been published to assist in the transitional process during 2018.

The three Strategic Partners, determined under the Children and Social Work Act 2017, comprise Thurrock Council, Essex Police and Thurrock Clinical Commissioning Group (CCG). The three Partners are required to publish an Implementation Document setting out the new Multi-Agency Safeguarding Arrangements (MASA) three months prior to its implementation.

The document has to be published no later than June 2019 and implemented no later than September 2019. Thurrock's new arrangements will be published in February 2019 and come into effect on 1st May 2019

A Strategic Group of the three Partners was set up in November 2017 and have been developing the new arrangements during 2018 to ensure they meet the statutory requirements. The new arrangements will be referred to as Thurrock Local Safeguarding Childrens Partnership (Thurrock LSCP). The Implementation Plan (see appendix) sets out the changes for Thurrock.
