31/10/2018	Cllr Gledhill	We call on the elected members of Thurrock Council to support any judicial review, or other legal action, that may be possible against Highways England proposals for the Lower Thames Crossing?	Evidence will continue to be gathered to support a potential future judicial review of Highways England's proposed Lower Thames Crossing. Should the opportunity arise to challenge the process on grounds eligible for judicial review it will be taken.	Steve Cox
31/10/2018	Cllr J Kent	Thurrock Council notes that since decriminalisation of parking in 2005 residents of Lodge Lane have been able to park on their crossovers - as they had been able to for decades before. The decision to enforce against residents parking in this way has caused significant anger and concern against those affected. Council calls on Cabinet to revisit this decision and find a way of allowing residents to park in the way they have for many, many years without any problem.	The Transport Development Team have commenced a review of the Traffic Regulation Order covering Lodge Lane and potential options will be considered. Options have been prepared and are currently being considered in consultation with the Portfolio Holder.	Steve Cox
28/11/2018	Cllr J Kent	Thurrock taxi trade is under huge pressure at the current time. Much of this pressure is being caused by the proliferation of Uber in the borough and there needs to be a level playing field for the long standing Thurrock Licensed Taxi Trade and Uber alike. To help achieve this Members call on the Authority to work with Uber London	The Licensing Team continue to monitor developments with Uber, its operations in Thurrock and nationally. We are pressing Uber to exclude Thurrock from the London Geofence which it operates and have held a recent meeting with the company to discuss redrawing this boundary. This has been followed up in writing to the Company. The Council has sought legal advice and is currently awaiting a response	Steve Cox

30 January 2019	Cllr Kelly	Full Council requests that Planning, Transport & Regeneration Overview & Scrutiny Committee, under its remit on regeneration, planning and growth look into how Section 106 money is scoped, allocated and spent. This would help ensure democratic oversight of benefits achieved and decision processes followed.	A report will be taken to the Planning, Transport and Regeneration Overview & Scrutiny Committee meeting in March 2019 alongside the work that is being undertaken to shape and progress the Local Plan.
