| 31/10/2018 | Cllr J Kent   | Thurrock Council notes that since decriminalisation of parking in 2005 residents of Lodge Lane have been able to park on their crossovers - as they had been able to for decades before. The decision to enforce against residents parking in this way has caused significant anger and concern against those affected. To help Achieve this Members call on the authority to work with Uber London</p> <p>Limited and Transport for London achieve a redrawing of the boundaries of Uber's geo fence which, currently, includes Thurrock as part of Greater London.</p> | <p>Officers have sought extensive legal advice in regards to the operation of Uber in Thurrock as to whether the operation can be challenged as being unlawful and a breach of Section 46(1)(d) of the LGMPA 1976, both before and after the recent decision in the Reading appeal.</p> <p><i>"The Council's Legal Team has now fully considered whether Uber's activities in Thurrock are unlawful and are a breach of Section 46(1)(d) of the LGMPA 1976. | 24/7/2019 | Cllr Holloway | <p>That Council notes with extreme concern, the recent instruction from NHS England to NHS Thurrock Clinical Commissioning Group (CCG) to set out a clear and agreed timeline by the end of September 2019 for a CCG merger to create a single CCG covering Mid and South Essex. Council finds the complete lack of consultation by NHS England with us as a key statutory partner and with local residents, prior to issuing an instruction of this magnitude, unacceptable and disrespectful. Council strongly opposes any move by NHS England to create a single CCG for Mid and South Essex which we believe will damage the strong partnership working and local relationships we have with our NHS partners, shift focus away from local health and care transformation at Thurrock level, and will make our local NHS less accountable to our residents. Council calls on NHS England to retain a fully constituted CCG at Thurrock level with a Thurrock CCG Accountable Officer and</p> | <p>Following the motion, a letter was sent from all Members to Ann Radmore, Regional Director at NHS England (East of England) highlighting the motion and calling on NHSE to retain a fully constituted CCG at Thurrock level.</p> <p>Ann Radmore has responded to the letter stating that NHSE remains committed to retaining a focus on 'Thurrock as a place' but reiterating NHSE's to restructure local NHS Commissioning architecture to create a single Integrated Care System for Mid and South Essex by 2021 with a single Mid and South Essex Clinical Commissioning Group. Wayne Bartlett-Syree, Director of Strategic Transformation and Locality Director from NHS England (East of England) attended HOSC on 5 September 2019 to answer member questions on the CCG merger. Wayne Bartlett-Syree, reiterated NHS England's commitment to 'place based working' at Thurrock level and that this would be reflected in establishment structure of any new CCG structure, but confirmed that NHSE would implement proposals set out in the NHS Long Term Plan 2019 to create a single CCG for each STP geographical footprint (in our case at Mid and South Essex Level).</p> <p>The Thurrock Integrated Care Alliance approved an MOU developed by the Director of Public Health, between the Council and STP partners which sets out roles/responsibilities and functions at STP (system), Place (Thurrock) and locality (sub Thurrock) geographical level.</p> <p>The MOU proposes creation of a Thurrock Integrated Care Partnership between all key stakeholders to focus on population health outcomes and integration between health, local authority and voluntary sector functions related to health, social care and wellbeing.</p> | Ian Wake |

|  |  | <p>Executive. Council also resolves to write to our two local MPs to ask them to support our calls and work with us to intervene to prevent this merger.</p> | <p>The MOU aims to ensure a strong focus remains on partnership working at Thurrock level and that decision making remains local.</p> <p>The MOU is currently being shared with wider system partners across the STP. During his attendance at HOSC, Wayne Bartlett-Syree, Director of Strategic Transformation and Locality Director, NHSE declined to give a commitment to sign the MOU, suggesting that it was the responsibility of STP partners to determine the most appropriate partnership arrangements for Mid and South Essex.</p> |  |
