| 29 January 2020 | Cllr J Kent | <p>This year's Holocaust Memorial Day marked the 75th anniversary of the end of the Holocaust. Thurrock Council understands the importance of remembering the millions of people murdered in the Holocaust and the genocides in Cambodia, Rwanda, Bosnia and Darfur. The Council calls upon Cabinet to explore the opportunity to work with schools to facilitate visits to former Nazi death camps, including Auschwitz-Birkenau, to help learn first-hand the consequences of hate. A future programme should seek to work across schools in Thurrock.</p> | <p>Holocaust Memorial Day is an important occasion for Thurrock Council to commemorate and remember the millions murdered in the Holocaust and subsequent genocides. The day also provides an important focus to educate about the consequences of hate and the need to tackle discrimination. Previous visits to former Nazi death camps have provided a valuable opportunity to learn these lessons first hand, and to share experiences within the wider school and community. Given the current pressures on schools and restrictions on travel, our initial focus will be on promoting digital opportunities for learning more about Holocaust Memorial Day and how the lessons of history are relevant today. This position will be reviewed once the Pandemic is under control, and when travel is easier to consider.</p> | Roger Harris |
