

This report lists all motions from the previous twelve months which still have updates forthcoming. All Motions which have been resolved or the actions from officers have been completed are removed.

Date	From	Motion	Status	Director
26 February 2020	Cllr Redsell	Council calls on Cabinet to consider a new wood and bluebells to be planted on a piece of land at the edge of Woodside.	The requirement from the s106 is for the open space to be kept mowed, with limited planting around the edges. Contact has been established with the developer however a meeting has not yet taken place to discuss the motion presented.	Julie Rogers
27 January 2021	Cllr Anderson	Given the great importance the Conservative government has placed on the “prevent” agenda in terms of countering extremism, and the need to consider all of the human trafficking and modern day slavery implications of illegal entry and Unaccompanied Asylum Seeking Children, especially in areas with a large waterfront or port industry, the chamber wishes to have an appropriate member’s forum for “prevent”. Therefore, following the procedure used to constitute the Corporate Parenting Committee as a formal Council Committee, we instruct the monitoring officer to present relevant terms of reference for the next meeting of the Full Council to help better protect our communities and those who come into our care.	Draft terms have been prepared but in the time available it has not been practical to undertake all the necessary consultations with officers and Members to ensure that the proposed committee can be managed without undue conflict within the terms of reference of other committees. A report will be submitted to the General Services Committee with proposals and then reported to the next Council meeting.	Ian Hunt
