Priority one **Violence & Vulnerability**

Suitable housing

Safeguard children and young people who are vulnerable to exploitation by organised criminal gangs.

Priority two

Effective partnerships

Partnership working will be strengthened in its delivery by utilising local expertise, pooling resources and producing data across the partnership to develop shared objectives, reflecting on our unique status as a unitary council as we work with key but more distant agencies

Core statement

With outstandingly low rates of reoffending, Thurrock YOS wishes to push forward and focus more on a whole system approach to addressing whole families and community to deter gang activity and lead people to more healthy life Priority five outcomes.

Priority three

Education, Training & Employment

We are committed to collaborate with partner agencies to reduce the number of children and young people excluded from education: to deliver tailored. sustainable training and employment opportunities; and to facilitate seamless transitions between these services. Priority fourensuring there is a clear plan for all young people as they leave the YJ

system

health

Reduce exclusions from **Education**

The services delivered for children and young people should be evidence based and will be delivered by developing innovative practice, analysing local desistance needs and adapting recognised national trends in youth justice, and using evidence to apply pressure to parts of the system, which presents delays

Priority six Diversion

By using a child focused approach through active participation and feedback, we will, where possible divert children and young people away from the criminal justice system.

Evidence based practice

earliest point in time.
