

Consultation

1.1 The consultation could encompass four different groups of people

a) General survey of the public about the usage and perceptions of the Thameside Complex

1. Questionnaire to be designed and made available online and at the Thameside Complex. (See Questionnaire 1).

b) Service managers and officers of the Library, Museum and Registrars on the routes to securing the implementation of the proposals for each service

1. To be organised for the witness session day. (See Questionnaire 2)

c) Service managers and officers of the Theatre to consider the identified options for the Theatre provision in the future

1. To be organised for the witness session day (See Questionnaire 3)
2. The Panel may wish to consult or meet with experts outside the Council who can advise on theatres, museums or libraries and these experts can be sourced as and when the Panel require.

d) Groups and organisations that use the Complex (including the voluntary group tenants) to consider the potential for the requirements of those groups to be accommodated in future service provision

1. The CVS be invited to represent the voluntary groups at a witness session and with any written evidence required.
2. The Panel contact any other groups that use the services in the Complex to provide written evidence or attend a witness session. (See Questionnaire 4)
