

This report lists all motions from the previous twelve months which still have updates forthcoming. All Motions which have been resolved or the actions from officers have been completed are removed.

Date	From	Motion	Status	Director
27 January 2021	Cllr Anderson	Given the great importance the Conservative government has placed on the “prevent” agenda in terms of countering extremism, and the need to consider all of the human trafficking and modern day slavery implications of illegal entry and Unaccompanied Asylum Seeking Children, especially in areas with a large waterfront or port industry, the chamber wishes to have an appropriate member’s forum for “prevent”. Therefore, following the procedure used to constitute the Corporate Parenting Committee as a formal Council Committee, we instruct the monitoring officer to present relevant terms of reference for the next meeting of the Full Council to help better protect our communities and those who come into our care.	The substantive response to this motion is set out in a report to Council at this meeting.	Ian Hunt
