Executive Summary

The Internal Audit Charter is a formal document that defines the Internal Audit Services' purpose, authority and responsibility. The Internal Audit Charter establishes the internal audit's position within the Council, including the nature of the Head of Internal Audit's functional reporting relationship with the Standards & Audit Committee; authorises access to records, personnel and physical properties relevant to the performance of engagements; and defines the scope of internal audit activities. Final approval of the Internal Audit Charter lays with the Standards & Audit Committee.
