

What benefits do you think a parish council would bring for the community?

- *Provide a line of communication to the Local Authority & maybe therefore ensure a response. To provide a pressure group to ensure that the local authority actually listen to the concerns of the local authority rather than mere lip service meaning local people become pretty much ignored. Devolved democracy allowing the community to make decisions directly rather than reliance on anonymous councillors ensconced in the Council Chamber.*
- *A group effort to maintaining the roads.*
- *Local people would have an opportunity to express their views which could then be taken to the council.*
- *maintenance and repair of roads, drainage, and pavements*
- *Road improvements, perhaps making residents adhere to planning rules.*
- *None except local knowledge of the area. I have lived in this house on the Frost estate my entire life. I was born in this very bungalow. I like it here. I don't think much needs changing. One or two roads need complete rebuilding, but that's about all.*
- *it would help manage local issues that people from outside the area might not be aware of or interested in.*
- *Hopefully get our roads sorted out and maintained properly*
- *A Parish would ensure that residents could say what happens in the future on the estate. Preserve, Maintain and Improve our unique area.*
- *More local involvement in decision making*
- *the ability fix the roads*
- *Someone to talk to who lives on the frost estate*
- *Having a committee of local people who understand the problems of the Frost Estate*
- *We desperately need our roads repaired and maintained and it seems this is the only way this is going to happen and the benefit to the community would be immense.*
- *Better access to frost estate*
- *I do not/have not been given enough information in order to answer fully this question.*
- *I don't think it would. This petition to set up a parish council has been created for the sole purpose of enabling the roads to be repaired. Whilst this is laudable, after reading the Cabinet report, I think that there are significant obstacles to be overcome for this to be created and even if this was successful, it is doubtful that the new parish council would be able to achieve their aims for all the reasons on the Cabinet report. In addition, it is doubtful whether a parish council would be interested in being involved in the number of activities in which it would be practicable to participate - please see comments in 4. above*
- *Big Benefit to improve the area and give residents a bigger say, we pay for services that we do not get, such as Street Cleansing and Highway Maintenance.*
- *Should bring a greater focus to the disgraceful state of the roads on the estate without sacrificing the privacy we currently enjoy or any increase in speed limits.*
- *Local people deciding local priorities, not faceless bureaucrats in the Thurrock*

Council ivory tower.

- *A chance to look after our own needs and priorities*
- *Improve community feeling. More local control of planning and development.*
- *Hopefully bring the roads on the Frost Estate up to an acceptable standard.*
- *Hopefully repair and maintain roads.*
- *Sort the roads out*
- *Allow the repair of the roads/drainage systems, with the costs shared equally across the estate.*
- *Control over the repairs of the roads on the Estate, ensuring that all houses on the estate contribute equal amounts.*
- *The main issue on the Frost estate are the roads - if the parish council could improve the quality of the roads / lighting and footpaths this would be the main benefit.*
- *decent roads*
- *Speed restrictions on improved road system*
- *Decent roads and drainage*
- *I have no idea? We need more info.*
- *The idea of the parish council is to get the roads on the frost estate (to keep it's looks) repaired. I don't want the roads widened which will change the estates appeal.*
- *Will be in charge of our own estate*
- *A parish council would help to improve the estate and it make it more desirable to live there which would help retain the value of the properties.*
- *It would increase the feeling of community on the Frost Estate but also improve the roads which is what everybody is interested in.*
- *We would have control over our own estate*
- *Better local control by local people*
- *Get roads and pavements sorted at last*
- *Local control*

- *if run correctly - would bring a new community trust across the estate*
- *Have a voice direct to Thurrock Council*
- *representation for the complete estate*
- *Opportunity for community to come Together to repair the roads on the Frost Estate and then maintain the roads.*

- *Maintaining roads*
- *Get roads repaired*

- *The essential repair and maintenance of the estate roads that are not the responsibility of the Thurrock Council. This is probably the only way the roads can be improved to keep the original character of the estate.*
- *Organise the repair and on going maintenance of the un-adopted roads on the frost estate as the main priority. This is the primary reason for the formation of a parish council as a legal entity enabled to carry out this function.*
- *Residents working together towards the good of the local area*
- *A forum for discussing any problems that arise on the estate*
- *It would give our specific community a voice and allow issues raised by the residents to be dealt quicker and more effectively. The residents could prohibit large vehicles onto the estate which cause ongoing damage to the roads and agree a mutually acceptable way to manage the maintenance and repair of the roads for all residents on the estate for the future.*

- *make sure drains are cleared (all 4 at giffards/ central ave) make lorries ie travis perkins (no pallet) just straight on road damage near junction central/ monford (not sure how council allowed concretes /paving with no drainage.)*
- *Local residents having more involvement in running their services. Keeping the roads well maintained*

- *getting council works to do our works at out rates*
- *A measure of independence - election of councillors who care, and to uplift the feel of slow decay that is beginning to effect the whole estate. A whole and equal charge to each property allowing some lenience on people of low income, Pensioners!! To restrict vehicles of 7.5ton on the estate unless emergency vehicles, all 10 to 20 tons complete ban.*
