26 January 2022	Cllr J Kent	<p>This Council is concerned at the impact the Cost of Living Crisis is having on residents of Thurrock and notes that domestic gas and electricity bills are predicted to rise by, almost, 50% this year – from an average of £1277 to £1865. The Council resolves to:</p> <ol style="list-style-type: none"> 1. Write to the Chancellor of the Exchequer to deliver a Brexit promise and ask him to help residents by scrapping VAT on domestic gas and electricity bills. 2. Write to Thurrock's Members of Parliament asking that they use their positions to support residents by working to achieve a cut in VAT. 3. Write to Thurrock's Members of Parliament asking for a temporary suspension of all green levies on domestic gas and electricity bills. 	Letters have been sent to the Chancellor and Thurrock MPs expressing the concerns regarding the rising cost of living for residents and specific issues reflected in the Motion.	Karen Wheeler
23 February 2022	Cllr Redsell	<p>Irresponsible riders of motorbikes and other similar vehicles misusing public and private land are putting our resident's lives and wellbeing at risk. I call on the relevant authority to implement a borough wide PSPO to prevent the unlawful use of these vehicles where the residents have lawful access. This will help protect residents across Thurrock and also make it easier for the police and council to take action.</p>	An initial meeting has been held with Essex Police to consider a PSPO to address the ongoing issue of off-road motorbikes. The wording for the PSPO has been drafted and currently awaits sign off from Essex Police. Once this has been obtained the PSPO will progress through internal approval processes before full consultation with the public.	Julie Rogers
