Good Evening

I have just been over to the Billet Pub, Billet Lane, Stanford-le-Hope and seen a sign requesting an Entertainment licence for inside and outside events anytime yearly for a 12 hour period of 11am-2300hrs Friday - Sunday; however I cannot find the area on your site as to where I can place a serious objection to this.

The last time this company Red Rooms ran such an event, the noise level from the bass could be heard throughout Stanford Le Hope and living 400 yards from the pub, I found that we had to shut all doors and windows throughout the 12 hour 11am to 2300 hrs as it was unbearable. I feel that this will destroy our weekends as we will be unable to sit out in our garden for such a long length of time and it's a highly unreasonable to expect residents to lock themselves in their house during summer months for a regular rave event, that really deserves to be in an empty industrial estate, rather than a residential area. I can understand that the Billet Pub need to earn a living from hosting events, however without noise control ie noise dampening this is not feasible.

I Sincerely hope you can direct me to the correct place to raise my objections officially.

Kind Regards
