## **Executive Summary**

This report introduces the Overview and Scrutiny Annual Report, which in accordance with the Council's Constitution, should be presented to the Council.

### **1. Recommendation(s)**

**1.1 That the contents of the Overview and Scrutiny Annual Report 2022/23 be noted.**

### **2. Introduction and Background**

2.1 Each year an Annual Report is produced detailing the work of the six Overview and Scrutiny committees and their main priorities for that municipal year. The report is designed to inform residents of this work in an accessible and engaging format.

2.2 The last municipal year has seen Overview and Scrutiny tackle a wide range of topics, with Members leading on issues that have come to the fore both through their own research and through the recommendations of Council officers.

2.3 This report, as in 2021/22 report, highlights the key projects of each Committee, and therefore does not provide an exhaustive list of all meetings, discussions, or recommendations that occurred in Overview and Scrutiny this year.

2.4 This year, the overview and scrutiny function has been working alongside the intervention process and scrutinising decisions made in light of the submission of an Section 114 notice in December 2022. Overview and

Scrutiny at Thurrock will continue to adapt and change as the intervention process, and recommendations from the Best Value Inspection report, are understood and implemented.

### **3. Issues, Options and Analysis of Options**

- 3.1 It is hoped that the format of the Annual Report will highlight to residents how the Overview and Scrutiny committees have picked relevant community issues, and how Members undertook work to form recommendations that positively affected these issues.
- 3.2 The report will be published on the Council's website and key community groups and participants from last year's work will be made aware of its publication directly.

### **4. Reasons for Recommendation**

- 4.1 The report outlines the work that has been undertaken during 2022/23 and is being referred to Council for review in order for Members to comment on the overall Overview and Scrutiny function of Thurrock Council.

### **5. Consultation (including Overview and Scrutiny, if applicable)**

- 5.1 In accordance with Chapter 4, Part 1, Rule 7.1 of the Constitution, the annual report is submitted to Council for their consideration and comment.
- 5.2 Overview and Scrutiny Chairs were consulted on the contents of the report in April 2023.

### **6. Impact on corporate policies, priorities, performance and community impact**

- 6.1 This report has a community impact as the work of the Overview and Scrutiny committees for 2022/23 allows residents to participate in decision making and tackling key issues of local concern, which is clearly documented in the annual report.
