

This report lists all motions from the previous twelve months which still have updates forthcoming. All Motions which have been resolved or the actions from officers have been completed are removed.

| Date | From | Motion | Status | Director |
|-------------------|----------------|--|---|---------------|
| 21 September 2022 | Cllr Carter | The Council calls for the building operationally known as C03 to be renamed as the Town Hall and to be referred to as such in all communications. | A design for new signs for the building is being discussed with planning officers as planning consent will be required. A programme for securing consent and erecting signs will be shared with members in due course. An application to the Royal Mail for a new postcode has been made. | Mark Bradbury |
| 25 January 2023 | Cllr Jefferies | This Council condemns plans by the London Labour Mayor to extend the Ultra-Low Emission Zone to all Greater London and notes with concern the impact this would have on many Thurrock residents if implemented. Members also note the campaign by our Member of Parliament Jackie Doyle-Price to oppose the said extension and calls on Thurrock residents to sign her on-line petition. | <p>Thurrock Council has recently written to the Mayor of London stating that the authority has not been suitably engaged in the ULEZ consultation and therefore has not had the opportunity to work with the Mayor of London's office to devise strategies to mitigate negative impacts of ULEZ proposals. In view of the lack of engagement and in the absence of a response to our consultation submission, the council has no option but to state its objection to the current ULEZ proposals that will impact our road network and users.</p> <p>Nevertheless, the Council has highlighted that it would welcome an opportunity to discuss concerns in more detail.</p> | Mark Bradbury |

|-----------------|-------------|--|--|---------------|
| 25 January 2023 | Cllr Massey | Members may be aware that National Highways have recently submitted, and had approved, their Development Consent Order for the Lower Thames Crossing scheme, to move forward to the next stage in the Planning Inspectorate process. The LTC Task Force seeks assurances that the Council is committed to opposing the scheme as currently presented and promote this message through Council communications channels. | Officers have been in negotiations with National Highways regarding their contribution towards the cost incurred by Thurrock in submitting representations and engaging with the Examination process. This is to ensure as little of the cost as possible is borne by Thurrock residents. | Mark Bradbury |
| 25 January 2023 | Cllr J Kent | Thurrock Council resolves to use the Local Plan process to support the retention of Speedway in Thurrock and identify a new home for Grays Athletic, in the Grays area. | The Council will support proposals for the retention of Speedway in Thurrock and the development of a new home for Grays Athletic through the Local Plan process where it can be demonstrated that the uses are viable and appropriate for the sites proposed. | Mark Bradbury |
| 28 June 2023 | Cllr J Kent | Council recognises the refuse service has failed the residents of Thurrock for too long and calls on Cabinet to ensure the regular collection of all three bins. | Recent changes introduced on 26 th June to the waste and recycling collections have managed to stabilise the service and deliver significant improvements. These changes, which were considered by the Cleaner, Greener and Safer Overview and Scrutiny Committee and agreed at Cabinet resolved to maintain weekly general waste collections and introduce biweekly recycling collections to enable biweekly green waste collections to be undertaken. It is intended that the current collection arrangements be in place until a fully costed Waste Implementation Plan has been | Claire Demmel |

| | | | | |
|--------------|--------------|---|---|----------------------|
| | | | <p>completed. It is recognised that further changes to the collection service will be required to accommodate the statutory requirement to provide weekly food waste collections in 2024 and the service is currently undertaking a trial of the food waste collection methodology and modelling potential deployment with a view to bringing forward options for consideration towards the end of the year. Cabinet requested a full strategic review of the waste service be undertaken to provide for a sustainable service in the context of reducing budgets, increasing costs, demographic and other pressures, changes in legislation. The scope of the strategic review will be developed for members consideration, but will include the type, levels, and forms of delivery of service. This will be brought to the Overview and Scrutiny Committee for consideration not less than one month before Cabinet.</p> | |
| 28 June 2023 | Cllr Speight | <p>Residents get nine, or at best ten, opportunities a year to see their council in full action. Far too often vital matters are not discussed because of the guillotine regulations which foreshorten debate and discussion. This has led, in the past, to political filibustering and spurious questions to ensure that matters are not discussed in public because of the time limitation. This is not democracy in action. For full meetings only, councillors and officers should be expected to</p> | <p>This motion will be referred to the Constitution Working Group.</p> | <p>Asmat Hussain</p> |

| | | | | |
|--------------|-------------|--|--|----------------------|
| | | <p>give whatever time is necessary to discuss matters. This motion does not seek to remove the limits of time individual councillors get to speak, but to remove the guillotine on separate sections of the meeting; henceforth this council calls on cabinet and/or the constitution working group to review the constitution as a matter of urgency and subsequently allow monthly full council meetings to run their full length without the need to invoke standing orders for an extension.</p> | | |
| 28 June 2023 | Cllr J Kent | <p>Council welcomes the release of the Best Value Inspection report, endorses its recommendations, and resolves to request the independent boundary review be sped up to allow for an all-out election as soon as possible.</p> | <p>This will form part of the improvement and recovery plan and be overseen by the improvement and recovery board.</p> | <p>Dr Dave Smith</p> |
