Hi

Im emailing to object about the notice of application to grant a premise licence for an off licence  
1 commonwealth house  
Montreal road  
Tilbury  
Vallipuram Jeevendra

- There is at least already 10 places in Tilbury that sell alcohol why would we need more.  
At least 7 of those are off licences there isnt a BUSINESS NEED to have 1 more in a small proximity. Why do people need to buy alcohol at 7am as well this is just asking for trouble.
- This is going to cause a lot of issues of ASB kids hanging around there will feel intimidating to go to the laundrette next door as im sure they will then be going in there causing issues, they already hang around the off licence and cop on calcutter round the corner everyday causing issues and underage managing to get booze.
- It will be literally across the road of an old age complex this premises is not suitable nor are the open hours.
- There is no cctv around there either  
As for sure there will be more crime.
- There are flats right above these houses opposite it. Its not a suitable premises or hours so near a residential area.

It would be nice if the applications were looked at and what businesses are already in Tilbury so there isnt so many of the same thing.

Regards
