

Dear Sir or Madam

This letter is from Thurrock Council.

Thurrock Council has some ideas about future care and support and we would like your views. We have to make some changes because there is less money for social care services.

You can give us your views in three ways:

There is a form with this letter that you can use to tell us what you think

You can attend one of the meetings being held by Thurrock Coalition and Healthwatch Thurrock.

To get the dates of the meetings you can call Thurrock Coalition on 01375 389864 or Healthwatch on 01375 389 883

Or you could use the internet by typing 'Have My Say' on Thurrock Councils Website. Or send an email to [Social.care@thurrock.gov.uk](mailto:Social.care@thurrock.gov.uk)

We would like to hear what you think by Monday 7<sup>th</sup> December

Yours Sincerely

## We want to hear what you think!

Thank you for taking time to tell us about charging for Social Care. There is less money now for social care services. The Council has to make some difficult decisions

Thurrock Council is allowed to charge people who use social care services. Thurrock Council is thinking about ways this may need to change over the next three years.

There are three ideas that may affect you.

1. The first idea is to charge the full cost for Careline emergency services. This could be up to £2.52 per week

This would happen over three years from April 2016 to March 2019.

What do you think about this idea? Please tick
