## **Executive Summary**

In April 2014 Cabinet agreed to establish a Fairness Commission for Thurrock as recommended by the Corporate Overview and Scrutiny Committee Task and Finish Group. This report presents the Commission's report and recommendations following a summer of consultation and engagement across the borough.

### **1. Recommendation(s)**

- 1.1 Note the contents of the report and give consideration to how the Council responds to the recommendations detailed at 3.8 prior to the report being presented at Cabinet in February 2016.**

### **2. Introduction and Background**

- 2.1** The Corporate Overview and Scrutiny Committee agreed on 12 September 2013 to establish a Task and Finish Group to look at how other local authorities have deployed equality commissions, within budgetary constraints, to progress equality issues within their localities. The panel's overall aim was to make recommendations on the relevance of a commission for Thurrock, other alternatives, as well as any costs involved.
- 2.2** The Fairness in Thurrock Review Panel was subsequently established and undertook this investigation, reporting to Cabinet in April 2014. Cabinet approved recommendations to establish a Fairness Commission to progress equality issues within the Borough, and agreed that a Thurrock Fairness Commission Annual Report is received by Cabinet to review and monitor progress. The report will be presented to Cabinet 2016.

### 3. Issues, Options and Analysis of Options

- 3.1 The Fairness in Thurrock Review made a number of recommendations to progress a Fairness Commission as the most relevant mechanism for progressing equalities in Thurrock.
- 3.2 The Review provided a draft Terms of Reference with suggested members for a steering panel. An open nomination process was held from November 2013 to identify suitable and willing candidates. This included two articles in the local press, as well as contacting target organisations and partnership groups. The final membership list for the Commission is as follows:

<b>Membership Criteria</b>	<b>Commissioner</b>

Voluntary Sector and resident	John Rowles
Voluntary Sector and resident	Diane Lee

- 3.3 One resident representative left the Fairness Commission shortly after its first meeting. It was not possible to fill the post for a disability group representative, something the Commission had aimed to achieve.
- 3.4 Thurrock Fairness Commission held its first meeting on 12 March 2015. Work prior to this concentrated on the recruitment of Commissioners according to the recommendations set out in the review report.
- 3.5 From its first meeting the Fairness Commission highlighted the need to understand more about local perceptions of fairness. The Commission undertook a 'Summer of Listening' from June – October 2015, capturing over 300 comments from events across the Borough, along with 200 responses to an on-line survey.

- 3.7 The attached draft report sets out the Commissioner's consideration of the consultation results and their recommendations. Services have been asked to respond to the comments as the Commission is keen to ensure local people recognise their views have been listened to, and answers provided to some of the concerns raised as well as recommendations to tackle inequality in the Borough.
- 3.8 The Commission has made a number of recommendations and will be formally requesting agencies working in Thurrock to respond. Thurrock Council endorses the recommendations made by Thurrock's Fairness Commission and our initial response is likely to result in the following actions.

<b>Recommendation</b>	<b>Proposed Response</b>
1. Principles of Fairness	The Council will support by issuing press releases, publicising the principles and promoting the process to support residents who have reason to complain about something against the principles.
2. Strengthening Communities	The Council will arrange a summit of partners to consider how best to design a campaign. This will include businesses and the potential for inward investment. It will also include Stronger Together a partnership supporting asset based community development of which the Council is a partner.
3. Improved Communications	Thurrock Council will be developing a new Customer Service Strategy in 2016. The strategy will be informed by recommendation 1 and 3.
4. Residents Survey	Thurrock Council agrees that a regular survey would support policy development and will be exploring the feasibility of this in the coming months.
