

Appendix 2

Terms of Reference

The suggested terms of reference for such a Members Group reporting to its parent committee could be as follows:

- Act as critical friends and provide overview and scrutiny function of a very specific area of work.
- That all members have attended WRAP training and have a good understanding of the PREVENT agenda in its broadest sense, including Channel.
- Ensure that the local Duty is embedded within all agencies and that the Local authority is taking the lead on ensuring a coordinated approach.
- Ensure that the Prevent strategic group under the governance of the community safety partnership has sufficient resources to deliver on the strategy and action plan for Thurrock.
- Approve the revised Prevent strategy for Thurrock Council Contribute to the action plan from a community engagement perspective
- Act as key information networks and champion Prevent in their communities:.
- Raise concerns over local community tensions in line with the agreed process
- Raise awareness amongst their peers.
- Where strategic issues are high, work to support unblocking of concerns.
- In the event of a community issue be key conduits for ensuring the right messages are getting to our communities.
- To scrutinise spend of the £10k on implementing the duty ensuring value for money (providing this funding is agreed.)
